

TELLS CLUB OF ATOMIC BLAST EFFECTSONFOOD, OTHER ARTICLES

Effects of atomic blasts on various types of structures and articles were described Monday evening by Dr. John Scharf, of the Armstrong Cork Co., Lancaster, in an address to the local Rotary Club at the YWCA.

Dr. Scharf was one of a group of five scientists studying the effect of radiation from atomic blasts on canned goods at the Nevada test sites last year. The team of five on canned goods was one of 18 similar teams which tested clothing, houses and other exposed things.

Canned goods stood up well, he reported. Those cans or glass containers that were not cut open by flying glass or other debris appear to have little radiation and appear to have little chemical tests to be safe for human use, he said. As a further check the food is now being fed to animals to determine whether there will be any effects that might have been missed by chemical and microscopic examination.

Dr. Scharf said his team spent a year gathering processed foods in various types of containers in order that a fair test would be made of all known types of containers. The foods then were placed in various storage places in the home erected on the Nevada testing area. Some canned foods were placed in corrugated cardboard boxes and left on the ground about a mile from where the atomic device was to be exploded. Others were placed in kitchens, basements and stores.

The speaker showed slides taken at the scene to illustrate the "tremendous effect of the explosion of atomic devices." White clothing should be the safest, according to the Lancaster scientist. The blast burned black suits and cloths, left

DEADLINE ON R. C. SWIMMING IS ADVANCED

With registrations already threatening to overtax available facilities, the Red Cross today advanced the deadline for registering children for the summer swimming classes from June 8 to June 1. The classes will begin Monday, June 18, and will continue for six weeks.

Mrs. Peggy P. Hill, executive secretary of the county chapter, also announced today that plans are being made for a swimming class for adult beginners. The classes will be held in the Gettysburg College pool from 6:30 to 8:30 o'clock each Monday and Wednesday evening for two weeks, beginning June 18. Three qualified Red Cross swimming instructors will be on duty.

One of the summer swimming instructors for the Red Cross here and two assistants have enrolled for the Red Cross water safety clinic to be held at Indianatown Gap June 1, 2 and 3. They are Mrs. Elizabeth Bucher, the instructor, and Misses Rita King and Constance L. Riley, assistants.

Mrs. Hill also said today that the Red Cross at the request of the Boy Scouts will operate a first aid station at the National Museum grounds on Saturday when Boy Scouts will come here for their Lincoln pilgrimage to the National Cemetery and the battlefield. The station will operate from 9 a.m. to 5 p.m. and will be staffed by Red Cross nurses' aides.

The Red Cross office here will be closed Wednesday, Memorial Day.

Gettysburg's County Aid Approved Today

The Adams County Commissioners this morning approved county aid totaling \$3,730.11 for Gettysburg. The application states the money will be used toward 7,250 feet of improvement to streets including Springs Ave., Barlow St., W. Lincoln Ave., Water St., Noonan Alley and Novelty Co. Alley.

This afternoon the commissioners are to interview applicants for the post of secretary of the Adams County Child Welfare Services.

Special Firemen's Meeting Tonight

A special meeting of the Gettysburg Fire Department will be held this evening at 7:30 o'clock at the engine house, E. Middle St. President Richard M. Cole has announced.

The new fire truck committee, which had originally scheduled a meeting for tonight, will be ready to report to the department, President Cole said, and they hope to secure action on the report as quickly as possible.

DR. GERALD DOO JOINS HOSPITAL SURGICAL STAFF

Dr. Gerald K. Doo, native of China and graduate of St. John's Medical School, the medical department of St. John's University in Shanghai, China, will join the medical staff of the Annie M. Warner hospital June 1 as an associate

DR. GERALD K. DOO

surgeon. It was announced today by Dr. Roy W. Gifford, hospital surgeon.

Dr. Doo joins the local medical staff "because of the great increase in the amount of surgical work at the hospital and the urgent need for another surgeon. He comes to Gettysburg well qualified as an able surgeon," Dr. Gifford said.

Doctor Doo was born in Shanghai. He graduated from an American Missionary school, St. John's University and Medical School and completed an internship at St. Luke's and St. Elizabeth Hospital in Shanghai. This is the teaching hospital of the medical school.

Flood-Washed Indianapolis Faces More Rain, Backflow From Central Illinois Floods

By THE ASSOCIATED PRESS

Flooded Indianapolis braced for more rain today as water drained off thousands of acres of inundated farm land in central Illinois.

Indianapolis, placed under a state of flood emergency by Mayor Philip L. Bayt, labored to place sandbags along Eagle Creek after a levee broke.

It threatened to flood homes in Speedway and Eagleland on the city's West Side. Authorities mobilized more than 2,100 civil defense workers and ordered policemen to remain at their posts for the duration of the emergency.

The Weather Bureau at Indianapolis said more rain appeared likely today and tomorrow.

May Cancel Race

The threat of more rain carried with it the possibility of postponement of tomorrow's Memorial

Day 500-mile automobile racing classic. The flood blocked all entrances to the speedway track yesterday and sent water spilling onto the huge racing oval.

More than 1,500 families were forced to evacuate their homes yesterday in Indianapolis and surrounding Marion County after weekend rains of 6 to 7 inches submerged much of the area. Twenty-one schools were closed as main highways blocked off the east and north sides of the city at the height of the deluge.

In central Illinois the overflow of the swollen Sangamon River and Salt and Kickapoo creeks began a slow recession, permitting flood waters to drain from thousands of acres of rich farmland.

Heavy weekend cloudbursts dumped as much as 9 inches of

"OPENHOUSE" TO BE HELD WHEN HOSPITAL WING IS COMPLETED

Open House will be held in conjunction with the opening of the new wing of the Warner Hospital, tentatively scheduled for July 15. It was announced Monday afternoon at a meeting of the Hospital Auxiliary in the board room.

Mrs. Leroy H. Winebrenner, who spoke for Walter B. Dillon, hospital administrator, outlined plans for auxiliary members to serve as hostesses for several days during the opening period and to conduct visitors through the hospital. During this time the auxiliary will sponsor a bazaar at which aprons, fancy work, etc., will be on sale in the annex. Guests will be served punch and cookies.

A handmade ribbon coverlet made by Mrs. Effie Angell, Gettysburg, auxiliary member and hospital employee, will be on display during the bazaar. It will be awarded as a prize in September.

Report Picture Profit

Mrs. Bruce N. Wolff, chairman of the Photobabe committee, announced that 74 pictures of babies were taken last month, 72 paid for and that the department had cleared \$62.90. The balance in the Photobabe Department to date is \$1,063.02, she said.

Mrs. Howard Hartzell, treasurer, reported that the snack bar cleared \$79.91 last month. Mrs. Winebrenner announced that the bar will be remodeled and enlarged this summer under the sponsorship of the auxiliary. She said the house committee has had a coffee table and three chairs in the nurses' home repaired.

Have 745 Members

Mrs. Paul L. Roy, membership chairman, announced that there are 745 paid and 168 new members to date. She has collected \$877 in dues. Dues from a number of Gettysburg members have been outstanding since January, it was announced.

Mrs. David Pitzer, chairman of the special projects committee, reported a \$9 profit at the April meeting. Since the project began in February the committee has taken in \$30.05. The committee cleared nearly \$17 at Monday's meeting at the sale of flowers, plants and bulbs.

Members were asked to bring a gift at the June meeting to replenish.

Guardsmen Begin Practice Firing

Members of the local National Guard unit Monday evening began a series of 22 caliber rang firings in anticipation of the firing of individual weapons over the weekend at Indianatown Gap.

Approximately 20 took part in the shooting Monday night. The range will also be open tonight, Thursday and Friday night to permit the guardsmen to practice firing with the 22 caliber rifles in preparation for the use of larger weapons Saturday and Sunday at Indian-town Gap.

Lt. Donald Doersom, Guard commanding officer, said a competition is developing among the guardsmen to see which can secure the best score on the 22 range. The members are permitted to "keep firing each of the scheduled nights" if they wish to improve their score in the company contest.

NAMED ZONE CHAIRMAN

Dr. Gerald W. Krepps, 325 North St., McSherrystown, was notified Monday he has been named chairman of Lions Clubs in Zone A of Region 3. The appointment was made in recognition of Dr. Krepps' work with the Conewago Lions Club, McSherrystown, which he organized in May, 1950. Clubs affiliated with Zone A are those of Hanover, Spring Grove, Beaver Creek, New Oxford, Littlestown and Conewago.

Keith B. Wolff, Biglerville, Gets Musselman Scholarship

Keith Wolff is shown above with his parents as received the Eagle Boy Scout award recently.

Keith B. Wolff, 17-year-old son of Mr. and Mrs. Burton D. Wolff, Gettysburg R. 3, has been awarded the third annual C. H. Musselman Company Scholarship at Gettysburg College, according to an announcement by the faculty committee on scholarships. The four-year undergraduate scholarship, set up by the C. H. Musselman Foundation, will cover full tuition under the comprehensive fee plan.

Wolff, graduating from Biglerville High School with the class of 1956, will enter Gettysburg College in September, majoring in business administration. Controlling factors of the scholarship, established in December, 1953, are "character, need for assistance and academic ability." Other items being equal, preference may be given to applicants planning business administration or chemistry as major subjects.

Wolff's father is a year-round employee of the C. H. Musselman Company, an additional factor used for special consideration in awarding the scholarship.

Previous winners, Burnell R. Dehoff, Biglerville, and Ralph W. Sheaffer, Table Rock, are presently students at Gettysburg College.

As a high school student, Wolff completed the academic curriculum, graduating in the upper fifth of the class. His activities included Student Council vice president, member of yearbook staff, sports editor B-H Times, Varsity Club, basketball squad, 3-4 and football manager 2-3-4. A member of Boy Scouts for the last six years, he won the coveted Eagle Scout award in November, 1955.

HERE AND THERE

Every year, with monotony and tragic regularity, the Memorial Day holiday brings death and disaster to many Americans. Unhappily, appeals such as this one seem to have little effect in reducing this terrible annual toll. And yet, there is always the chance that these appeals do help, that they do persuade at least a few people to "slow down and live."

On the chance that we may help to save even one life, therefore, we repeat once more our annual Memorial Day plea to make the forthcoming holiday a holiday in the true sense of the word.

Consider the following facts, then, and reflect:

Traffic accidents killed a record 372 people over last year's Memorial Day weekend.

According to National Safety Council statistics, nearly three out of 10 drivers in fatal accidents have violated a speed law, 18 out of 100 have been drinking, seven out of 100 did not have the right of way, three out of 100 were guilty of passing improperly, three out of 100 have disregarded a stop sign, two out of 100 have not heeded a warning sign, one out of 100 have disregarded a signal or officer.

These are human failures. Mechanical failures are also responsible for many mishaps. About 6 per cent of cars in

Postponed Road-e-o Set For Next Sunday

The postponed Road-e-o of the Gettysburg Junior Chamber of Commerce will be held Sunday afternoon at 1 o'clock at the Acme parking lot, Chairman William Hendley said today.

Because of rain the road-e-o was postponed from last Sunday. Hendley said that because of the delay, additional teenagers may enter if they wish. Entry blanks can be secured from him at the Majestic Theater, or may be secured from any member of the Junior Chamber.

Teenagers still wishing to enter the competition in which three prizes will be awarded should notify the Jaycees as soon as possible so that a written test on knowledge of the driving regulations can be given prior to Sunday's test of driving skill.

TO OMIT MEETING

There will be no meeting of the Exchange Club this evening because of the holiday period, the president announced. The next meeting of the Exchange Club will be held June 5 at Banker's Restaurant.

W. A. FRAILEY, 63, OF EMMITSBURG DIES ON MONDAY

William Albert Frailey, 63, died suddenly Monday afternoon at 5:10 o'clock at his home in Emmitsburg. He had been in failing health for some time.

A veteran of World War I, Mr. Frailey was president of the Emmitsburg Chamber of Commerce and of the alumni association of the Emmitsburg High School. He also belonged to the Francis X. Elder post of the American Legion and was a member of the Methodist Church of Emmitsburg.

Mr. Frailey was a native of Emmitsburg and was a son of the late Oscar D. and Clara M. (Hoke) Frailey. He was a registered pharmacist and was a graduate of the George Washington University Pharmaceutical School. He had retired last September 1 as territorial manager for the Johnson and Johnson Drug Company. He was a member of the D. C. Veteran Drugists' Association of Washington.

Surviving are his widow, Alice Hetzel Frailey of Emmitsburg, and these children: Mrs. Homer Shipley, Baltimore; Marjorie Crist and Carl W. Crist, both at home; five grandchildren and two brothers and sister, Thomas Frailey, Clarence Frailey and Mrs. H. P. Freeman, all of Emmitsburg.

Funeral services Thursday afternoon at 2 o'clock from the Frailey home with his pastor, the Rev. Paul H. McCauley, officiating. Interment will be in Mountview Cemetery at Emmitsburg. Friends may call at the home Wednesday evening. S. L. Allison is the funeral director in charge of arrangements.

Four Alleged Accomplices Of Beria Executed For Treason

MOSCOW (AP)—The former Prime Minister of Azerbaijan and three other top officials of that Caucasian Republic have been executed for treason and counterrevolutionary activity, it was disclosed today.

On July 18, 1953, Moscow radio announced that he had been dismissed as premier of Azerbaijan. The public announcement of his removal at that time did not connect him with Beria—but simply said he had been guilty of gross bureaucratic.

Before he became Azerbaijan premier, Bagirov had been for many years the Communist party chieftain in the Soviet Republic on the Caspian Sea which has its capital the oil metropolis of Baku, where Beria attended school in his youth before the revolution.

The indictment as published in the Baku newspaper said Bagirov and his accomplices were guilty of treason, of using improper methods of police investigation, of setting the state security organs against the government and the Communist party, and of counter-revolutionary activity.

But Bagirov, long considered in the Soviet Union to be a close collaborator of Beria, fell a few weeks after Beria himself was arrested.

The four officials were accused of being accomplices of former Soviet police boss Lavrenty Beria. The newspaper Baku Worker, which reached Moscow today, said they had been charged with "terroristic acts."

Once Ranked High

The chief defendant in the trials, which the newspaper said was held publicly in Baku between April 12 and April 26, was identified as M. D. Bagirov, former secretary of the Azerbaijan Communist party, the chairman of the Council of Ministers of the Azerbaijan Republic.

Bagirov was made an alternate member of the Presidium of the Communist party of the Soviet Union in March, 1953, immediately after Stalin's death.

But Bagirov, long considered in

NEW RAID SIGNALS

Under the new Civil Defense program, an alert signal is given by sounding fire sirens and whistles in one shrill blast without any "ups and downs" in the sound. That signal is to warn everyone to tune in radios to obtain instructions, or to be alert to possibly instructions by loud speakers.

The "red" signal warning all to take cover will be a warbling "up and down" effect on sirens and whistles. When it sounds all are asked to "take cover."

The next signal will be an alert signal. People are asked not to leave their homes, or places of hiding, but to listen for instructions by radio or loud speakers.

Weaver said the new system was devised for use in time of war and in peacetime emergencies. Civil Defense has been given the job of handling all emergencies. In event of bombs, radiation might still be in effect for some time after a bombing and so the alert signal might be given to give instruction after a "red" alert had been sounded.

Plan National Alert

Similarly, in event of tornadoes or other emergencies, there still might be reason for all to remain under cover after the danger may have appeared to pass, and instruct

COUNTY BOARD FILLS VACANCY ON DAY CARE CENTER STAFF

Mrs. Dorothy May Snyder, 35, wife of Russell Snyder, Gettysburg R. 1, was elected by the Adams County School Board Monday evening, at a meeting in the county superintendent's office, Carlisle St., to serve as teacher's helper at the County Day Care Training Center next year.

Mrs. Snyder, who served as a therapy assistant at Harrisburg and Wernersville State Hospitals before moving here, is currently employed by a local sewing machine store.

Her salary was set at \$2,800 a year. She fills the vacancy caused by the resignation of Mrs. Robert Trone. Mrs. Trone was praised by the board for her work at the center this year and her resignation was accepted with regret. A \$100 bonus was voted Mrs. Trone.

Miss Blatchford Resigns

Also accepted with "deepest regret" was the resignation of Miss Jennie Blatchford, a speech and hearing therapist for the county during the past year. Miss Blatchford, who served mostly the East Berlin, New Oxford and Gettysburg Joint Schools, with Miss Joan Simmons set up the speech and hearing therapy program in the county. In her letter of resignation she said she will return to Northwestern University to secure her master's degree. Miss Blatchford was in line for a salary increase. Her co-worker, Miss Simmons, who is remaining in the county post, had her salary boosted from \$4,200 to \$4,500 per year.

The salary of Mrs. Amelia Whittinghill, a part-time secretary at the county office, was boosted to \$20 per week, or \$38 per week if she can work full-time.

Lloyd E. Crouse, Littlestown, was re-elected treasurer of the county board. Attorney J. Francis Yake Jr. was named as solicitor for the county board and his honorarium was continued at \$100 when it was pointed out that an act of court is needed to change the amount.

See Large Enrollment

Miss E. Elizabeth Rutledge, supervisor of special education for the county, reported the recent "open house" at the Day Care Training Center a "complete success" and added that as a result of visits to the school by parents of children it is expected that about 25 students will be present next year. There are 16 now. Because the increased enrollment may require a second teachers' helper at the school, the county superintendent's office was authorized to include the salary of a second

"ALERT" TEST WILL BE HELD BEFORE JUNE 10

Adams Countians will be asked to "take cover" sometime between Friday and June 10 as the county joins the state in a test of the new Civil Defense public warning system.

William G. Weaver, county Civil Defense director, speaking Monday evening at a meeting of defense officials from the county at the county house said that the test will be held to determine the public's understanding and compliance with the new warning system.

In prior tests a three signal program was used. The first signal was an alert, then a "red" signal was sounded warning all to take cover and the third signal was an "all clear," permitting resumption of activities.

Under the new Civil Defense program, an alert signal is given by sounding fire sirens and whistles in one shrill blast without any "ups and downs" in the sound. That signal is to warn everyone to tune in radios to obtain instructions, or to be alert to possibly instructions by loud speakers.

The "red" signal warning all to take cover will be a warbling "up and down" effect on sirens and whistles. When it sounds all are asked to "take cover."

19 FAIRFIELD WOMEN GUESTS AT CASHTOWN

Nineteen members of the Fairfield Fire Company Auxiliary were guests of the Ladies' Auxiliary of the Cashtown Community Fire Company Auxiliary Monday evening at a combined Mother's Day and Memorial Day program in the community hall. A covered dish luncheon preceded the program.

Mrs. Sara Keefer read a poem, "And The Glory Forever," and Mrs. R. Dale Bream read one entitled "Mother's Quilt." Mrs. Gladys V. Rebert sang "Lamp Lighting Time in the Valley" and "When Mother Prayed." She was accompanied by Mrs. Glenn Keller at the piano. The latter also played for group singing. Mrs. Kermit Deardorff read a poem "Only One Mother" and Mrs. Edna Kuhn recited a selection entitled "Mother." Mrs. Bruce Wetzel read "For Grandpa's Sake."

Mrs. Sara Keefer and Mrs. Bruce Wetzel presented skills entitled "A Woman Voting Demonstration," "A Good Husband" and "Pulling a Tooth."

Present Potted Plants

Mrs. Keefer, president, presented a potted plant to each of the following: Mrs. Gertrude Riegel, the oldest mother present; Mrs. Norman, the youngest present; and to Mrs. Frank Dillon, mother of the largest (14) number of children.

Devotionals were conducted by the chaplain, Miss Inez Riegel. The treasurer reported a balance of \$1,398.59 in the treasury. Mrs. Kuhn, chairman of the ways and means committee, said the auxiliary made a profit of \$140.40 on current special projects.

Plans were made to help the firemen with the barbecue supper to be held later in the summer. Mrs. Leroy Kint won the guess box. A white elephant sale will be held at the June 25 meeting, it was announced. Committee reports were given as follows: sunshine, Mrs. Raymond Hassler; membership, Mrs. Dillon; entertainment, Mrs. Wilmer Diehl; Adams County Home, Mrs. Edna Kuhn. Hostesses were Mrs. Amanda Walker, Mrs. Clyde Wilson and Mrs. Bruce Wetzel. Mrs. Wetzel served for Mrs. Roy Biesacker and Miss May Wetel. The meeting closed with the singing of "America."

teachers' helper in the budget being drawn for the school. County Superintendent of Schools H. Edgar Riegler reported "the most satisfying thing about the open house was the expression of pride on the faces of the children as they welcomed their parents and visitors to the Day Care center."

To Meet State Officials

Superintendent Riegler reported plans for a meeting of Department of Public Instruction officials with the Bermudian Springs joint school system boards, East Berlin and Conewago Independent boards at York Springs. Tentatively the meeting is scheduled for June 13. Members of the county board were invited to attend the meeting as observers. The session is being held to try to "clear the atmosphere" in connection with proposed establishment of "Administrative Unit No. 2" which would include the Bermudian Springs, Conewago Independent and East Berlin units. The meeting is being held because failure to reach agreement "one way or another" on the part of East Berlin is holding up proposed construction in the York Springs area, according to reports presented to the county board.

Approval was given for Gettysburg joint system to establish an additional elementary attendance center near Gettysburg, and for the establishment of an elementary attendance center in Franklin Twp.

Alternate Dates On Picnic

August 2 or 9 were set as the alternate dates for the annual Adams County School directors convention to be held at the South Mountain Fairgrounds.

Richard C. Lighter, county supervisor of agricultural education, reported plans to take 73 agriculture students from Adams and Franklin counties to Penn State for an FFA week program "the week after next."

The county board authorized the county superintendent, assistant superintendent and supervisor of special education to take two-week vacations with pay on a staggered schedule to be worked out by the three. The board also authorized the three to take up to five days additional during the year, as "additional days off," to put their vacation periods in line with the 15-day period given Department of Public Instruction officials.

FACE CODE CHARGES

Ten day notices for traffic light violations have been sent to Eugene Timber, Gettysburg, and Norman Stahl, Langhorne R. 2, by Justice of the Peace Robert P. Snyder. Both men are charged with the offense by Pennsylvania State Police.

RECOMMENDS DIVORCE

Attorney Donald M. Swope, as master in the divorce action of Janet Louise (Shultz) Sheppard, Orrtanna R. 2, versus Edgar P. Moore Sheppard, same address, recommends the divorce on grounds of indignities according to his report filed today with the prothonotary.

white clothing (on dummies) and white patches of cloth untouched. Some houses withstood the blast well, while others beside them crumpled in heaps from the shock of the explosion.

One slide showed a house where the heat of the explosion set the house afire—and the 200-mile-an-hour wind that followed within a fraction of a second put the fire out.

The tests showed that anything within a mile of an atomic explosion is most likely to disappear, and that many things outside that area are likely to survive. Volunteers in trenches a little over a mile from the scene were unharmed and their eardrums almost burst but otherwise they were unharmed. Dummies in the open at that distance appeared to have been hit by shrapnel—from the stones, sticks and earth hurled by the force of the blast.

Dr. Scharf said he was knocked down twice by the blast at four miles from the scene during the nine explosions he witnessed. The fireball formed when the atomic device explodes is "much more brilliant than the noonday sun."

Vice President John Hostetter presided with 51 present. Lt. Col. Eben R. Jones reported that Lawrence Cummins, of the local state employment office, will speak next Monday evening at the Rotary meeting.

Further plans for the horseshow were outlined by Dr. Richard Newsam.

Spotters See Film

Littlestown spotters of the Ground Observer Corps met on Monday evening in the engine house, when a film recently released by the United States Air Force, explaining the latest plane detection device, aiding pilots in location of enemy aircraft, was shown.

Remarks were heard from Lt. John E. Mosteller, USAF, field representative for the GOC, on the latest findings presented the Air Forces Sub-committee several weeks ago by General Curtis F. LeMay, commanding officer of the United States Strategic Air Command. Highlights of his remarks were that "modern day bombers have 10,000 times the destructive fire power as any bombers used during World War II and it is impossible to have effective and complete air defense without having detection first, thus all who give of their time to GOC work are definitely doing their country a great service."

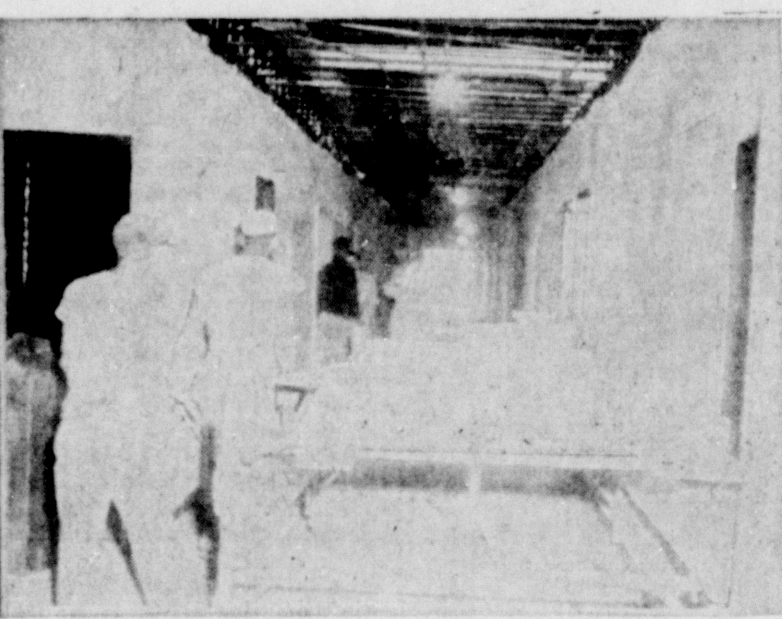

Paul E. Hiltbricker Jr., chief observer, presented a new order released by the State Civil Defense director, to the effect that all GOC members must be issued Civil Defense Identification cards, in order to be eligible for liability insurance coverage while on duty. These cards will be issued at the next monthly meeting of the local spotters on Monday, June 25, and all members are expected to be present, as the cards must be returned to the State Civil Defense office by June 30.

GOC Supervisor Gerald W. Daley conducted the session, when tentative dates were discussed regarding

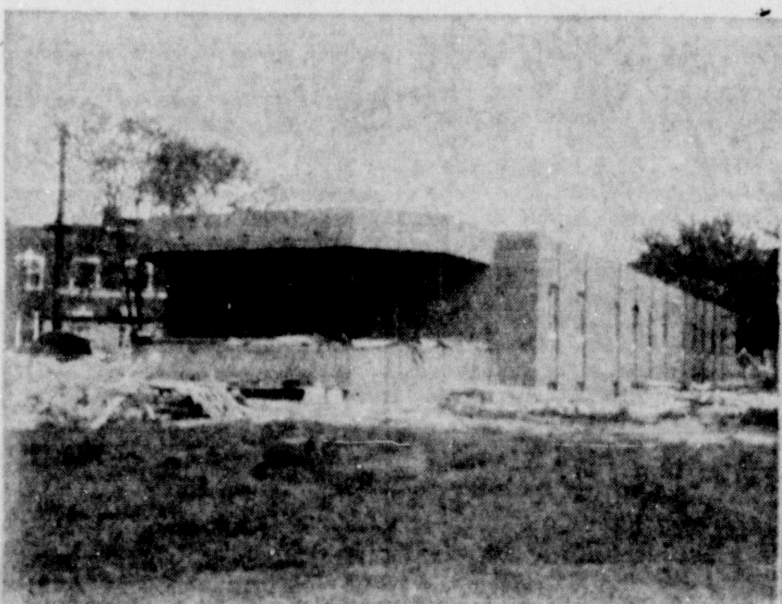

Progress On Hospital Wing

Walter B. Dillon, administrator of the Warner Hospital, received a check for \$100 from Harold Ecker, president of the Gettysburg Junior Chamber of Commerce as the Jaycees make their second annual contribution toward the building fund of the hospital. The two are standing in the right wing No. 1 of the hospital, expected to be completed July 15. The \$100 will go toward planned construction of right wing No. 2, a similar sized structure, work on which is expected to start "before too long."

Construction is progressing rapidly on the new wing at the Warner Hospital, with workmen shown plastering in the hallway of the new wing.

The exterior of right wing No. 1 of the Warner Hospital is also rapidly reaching completion. The end of the wing will be a large sun porch for use of the patients. (Times Photos)

Building Costs To Be Reported

SCRANTON, Pa. (AP)—A federal grand jury investigating costs of construction of the U.S. Army Signal Corps depot at Tobyhanna is believed preparing its final report.

The panel, which is in its ninth week in the federal building here, has devoted most of its attention to the 38 million dollar military installation, including an on-the-spot inspection several weeks ago. It has also heard testimony in a number of other cases, however.

U.S. Atty. J. Julius Levy declined comment on the Tobyhanna probe, but it was noted that while the grand jury was at work yesterday, no witnesses were called. This was taken to mean the 20-member panel is studying testimony with a view to presenting a return to court.

OPEN BIDS JUNE 19

HARRISBURG (AP)—The Forests and Water Department will open bids June 19 for the operation of the food and refreshment concession at Peo Valley State Park, Centre County.

Miss Anne Haenn, daughter of Mr. and Mrs. George Haenn, R. 1, will be among the 83 young women receiving baccalaureate degrees at the Seton Hill College commencement exercises next Monday afternoon. The Most Reverend Hugh L. Lamb, D.D., Bishop of Greensburg, will preside at the exercises and will confer the degrees. The Rev. Dr. William G. Ryan, president of the college, will present the seniors for their degrees.

Cleveland's pitching staff had 877 strikeouts last season, 19 short of the American League record set by Detroit's mound corps in 1946.

DELONE WILL GRADUATE 129 SUNDAY NIGHT

Baccalaureate services for the graduating class of Delone Catholic High School, McSherrystown, were conducted Sunday evening at 7 o'clock at the Annunciation of the Blessed Virgin Mary Church, McSherrystown. The Rev. Bernard V. Mattern, pastor of Sacred Heart Church, Cornwall, presided.

The speaker was the Rev. Wallace Sawdy, assistant pastor of St. Francis Parish, Gettysburg. The Rt. Rev. Msgr. Patrick F. McGee, pastor of the Annunciation of the Blessed Virgin Mary Church, acting as celebrant, closed the services with the solemn benediction. The girls, attired in white caps and gowns, and the men, in black, went to the church in a procession headed by the school color guard.

Some time after the service the graduating class left by Greyhound bus for New York City and returned Monday evening. Accompanying the students was their principal, the Rev. William R. Lyons, and chaperons, Mr. and Mrs. Joseph Neiderer, Mr. and Mrs. Rodney McSherry and Mr. and Mrs. Joseph Hockensmith.

Graduation exercises for Delone High School will be held next Sunday at 8 p.m. at the State Theater, Hanover. The Most Rev. Lawrence F. Schott, titular bishop of Eliza and auxiliary bishop of the Diocese of Harrisburg, will preside at the 16th annual commencement exercises.

The processional music, "Pomp and Chivalry," by C. J. Roberts, will be played by the Delone Catholic High School Band. A corps of majorettes will present colors. The band and audience will join in "The Star Spangled Banner." Earl John Schuchart, a member of the graduating class, will offer the salutatory with the class joining in the public confession of faith. The valedictory address will be given by Harold Edward Smith.

Rev. Fr. Lyons will present the 129 seniors to the audience. Bishop Schott will present awards and confer diplomas. Rev. Fr. Mattern will deliver the principal address. Remarks will be offered by Bishop Schott.

Richard F. Feeser will direct the Delone band in playing the recessional march for the exit of the students.

Of the 13 National League players who drove home 100 or more runs during 1955, Brooklyn and Cincinnati had three each.

involved in fatal traffic accidents have been found to have one or more unsafe conditions, the Safety Council has reported. For example, according to American Brakeblok, which makes friction materials for the country's brake manufacturers, nearly one-fourth of the cars inspected in one spot safety check needed some work done on their brakes.

This, we submit, is criminal. Every car owner owes a duty to the community to see that his vehicle is in proper working condition before he takes it on the road, particularly before he sets out on a long trip. Remember, too, that according to a recent study three out of five deaths occur during the hours of darkness.

This Memorial Day, then, why not do these two things: (1) be sure that your car is in proper mechanical order; (2) drive more carefully than usual.

It may save your own as well as someone else's life.

Mock Air Raid Is Slated Next Week

HARRISBURG (AP)—Pennsylvanians will be called upon to participate in a mock air raid sometime between next Thursday and June 10.

Dr. Richard Gerstell, state civil defense director, said yesterday a new series of air raid warning signals will be used during the mock attack.

The first signal, consisting of a series of blaring of sirens and horns, will be called a "take cover warning."

The all clear, consisting of a solid three minutes of siren and horn blowing will be called the "alert signal."

All vehicular and pedestrian movement will be required to halt during the air raid.

Here's how to make hot mustard to accompany Chinese egg rolls. (The egg rolls come frozen.) Mix a half cup of dry mustard with three tablespoons of water until smooth. Any of the mustard left over may be put in a small tightly covered jar and refrigerate.

Out Of The Past

From the Files of the
Star and Sentinel and
The Gettysburg Times

FIFTY YEARS AGO

Birthday Party: On Wednesday evening, May 16th, a very pleasant birthday party was given Miss Beulah Sowers at her home near Gettysburg. The evening was very pleasantly spent with music on the organ and phonograph, also out door amusements. At a convenient hour all were invited to the dining room for refreshments.

Those present were: Mrs. L. M. Sowers, M. H. Sowers and wife, Misses Edna and Bessie Little, Carrie Haugh, Bertha Frazier, Grace Strickhouser, Beulah Sowers, Jennie and Rosa McSherry, W. O. Davis, Frostburg, Md.; Mr. Miller, Pittsburgh; Teaby Emmelton and Mervin Little, Harrisburg; Frank Patterson, Charles and Russell Frazier, Harvey and Oscar Bream, Arlie Sowers, Edward McSherry and Mr. Hoffman, of Gettysburg.

A Guest.

Deaths And Funerals: Stouter — Anna Elizabeth Stouter died on May 22, 1906, at the Maryland General Hospital, Baltimore, where an operation was performed for appendicitis.

Deceased was a daughter of Mr. and Mrs. Daniel Stouter, of Emmitsburg, aged 10 years, 8 months and 21 days. Her remains were brought to Emmitsburg Wednesday and taken to the home of her parents. The funeral services were held at St. Joseph's Catholic church, Emmitsburg, Friday morning.

Hornberger: Miss Sarah Elizabeth, daughter of Mr. and Mrs. Jacob H. Hornberger, of Littlestown, died last Tuesday evening from a stroke of paralysis received that morning, aged 43 years, 4 months and 11 days.

Death Of Ex-Judge Blocher: Hon. Thaddeus S. Blocher, one of Adams County's most prominent citizens and widely known business men, died at his home in Littlestown Saturday evening at 6:40 o'clock from stomach trouble, from which he had been suffering for several months, aged 69 years and a few days.

Deceased was born in Butler township, this county, in May, 1836; was a son of Thomas and Mary (Hartzell) Blocher, the former a native of Lebanon county and the latter of Butler township, this county.

Mr. Blocher was a staunch Republican and served in public office in the gift of the borough of Littlestown, except that of Justice of the Peace.

Mr. Blocher was married in 1853 to Eliza E. Bishop, who with the following children survive: Clarence W., Charles L., Howard G., Misses Emma and Mary, of Littlestown; Mrs. Edith Gilbert, of Philadelphia, and Dr. E. T. Blocher, of York.

High School Commencement: Again we take pleasure in noting the exercises pertaining to the High School Commencement, which took place in Brue Chapel Thursday evening.

The exercises demonstrated intelligent intellectual training and a usual acquisition of knowledge, brightened by clever humor and kindly wit that were most pleasing in every feature. The nine graduates of the class of 1906 certainly acquitted themselves well, reflecting much credit upon scholars and teachers.

Honors and Prizes: Valedictory, Elizabeth Weaver (pupil having highest average); salutatory, Rebecca Drum (Pupil having second highest average); D.A.R. Prize, \$5 Mabel Thorn; 1st honorable mention, Guy McCarney, 2nd honorable mention, Raymond Dilfield; high school alumni prizes, first honor prize, \$5, Elizabeth Weaver, second honor prize, \$3, Rebecca Drum; prize for best speller, \$3, Mabel Thorn; honor roll (pupils whose average is 90 or above) Elizabeth Weaver, Rebecca Drum, Mabel Thorn, Raymond Dilfield.

Today's Talk

THE INVISIBLE PILOT

One of the great men of a boat is its pilot. I have talked with many a one, and after I had retired for the night I kept thinking of him at his station on the bridge. I knew that whatever the tide of fortune he would be there, and stay through any danger.

Each one of us has his own invisible Pilot, and often when it gets very dark we think of Him as some-one very real, and we take courage and look to our Heavenly Father for guidance through whatever storm may assail us.

This invisible Pilot can be very real to us. Perhaps this Pilot is a mystic love, hidden away in our heart to keep us safely afloat when the fears get thick about us, and there are signs of coming storms. How easy it is to sleep undisturbed at night when we think, in terms of faith, of this invisible Pilot who never sleeps when there are duties to perform!

Just a Pilot but His thoughts creep into every cabin, regardless of the circumstances of the guests. He is their protector in time of stress, and every guest knows this. In a dire catastrophe that Pilot, or let us say, Captain and Master, will give every order for the safety of His charge, and will even go down with His ship unless all others are saved.

How good it makes us feel to know that there is someone, somewhere, who thinks and prays for us, and whose spirit follows us by day and night. We are voyagers every day. We contact multitudes. We tour our way through life, steadfast in our faith. Four of my favorite lines of poetry are these by Tennyson:

"For tho' from out our bourne of time and place

The flood may bear me far,
I hope to see my Pilot face to face
When I have crossed the bar."

Tomorrow Mr. Adams will talk on the subject: "Worlds Beyond"

MAN'S FAULTS

Two things a man I apt to do
A woman bitterly detests;
And one is when the day is through
For dinner unexpected guests.
Man brings them home content
There will
Sufficient be two more to fill.

And this she'll never understand:
Why she must be so unprepared.
He has a telephone at hand
And could inform her if he cared.

But no! With his old, silly grin
He brings his two companions in.
No word, no hint, no get a fowl!
Regardless of the time or price,
He's sure, regardless of her scowl,
That she can get up something nice.

And just so long as she's his wife
She'll have to suffer that for life.

The other is, when she has planned
His favorite meal from soup to pie,
He'll use that telephone at hand
And call her up to tell her why
That evening he is staying down
With business friends who've come to town.

FLORIDA MAKES CHOICE TODAY ON DEMOCRATS

By THE ASSOCIATED PRESS

Florida voters choose between Adlai Stevenson and Sen. Estes Kefauver for the Democratic presidential nomination today in a major test of the political strength of the two increasingly bitter rivals.

Both already were looking ahead to their final clash in the California primary election a week from today—a winner-take-all contest involving 68 votes in the national convention.

In Missouri, the Democratic State Convention gave enthusiastic endorsement to Sen. Stuart Symington—regarded by many as having a good chance for the Democratic nomination in case of a national convention deadlock between Kefauver and Stevenson.

Lausche Is Willing
In Columbus, Ohio, Gov. Frank J. Lausche said he would permit his name to be placed in nomination at the Democratic convention.

In today's Florida voting, President Eisenhower faces only nominal opposition on the Republican side of the primary. But supporters of Stevenson and Kefauver saw their race as a major hurdle.

Florida's 28 Democratic convention votes will be apportioned on the basis of 12 convention votes to the biggest vote getter, plus two delegates, each with one full vote, for each of the eight congressional districts carried.

Can't Switch

Voters can't switch parties in the primary voting in Florida, but many with Republican leanings are registered as Democrats in order to have some voice in the political affairs of the Democratic state.

There was speculation that many of these Republicans, plus Eisenhower Democrats, might vote for Kefauver in hopes of killing off Stevenson—whom most observers gave a slight edge.

Stevenson got last-minute endorsement from the Miami Daily News yesterday. The News said that "as Florida votes . . . so California may vote . . ." The outcome of these two primary elections may determine which of the two candidates is the stronger when the convention opens.

Trade Changes
In California, backers of the two rivals traded blistering charges.

A Stevenson supporter, Democratic National Committeeman Paul Ziffren, said, "Kefauver is desperate because he knows he is through and he is out to destroy Stevenson even if that won't help Kefauver."

Kefauver's California manager Thomas Carrell said, "Chicago boys have poured money in here and are trying to take over California." Stevenson is a former governor of Illinois.

PERSONAL COFFEE

BAY PORT, Mich. (AP) — Almost everyone at Sam Murrow's restaurant has his own coffee mug — lettered with his name and lined up on the shelf. Mug owners get their coffee for a nickel. Others pay a dime.

It's easy to make turnovers filled with meat or fish, fruit or jam. Use a standard pastry-for-pie recipe based on 2 1/4 cups of sifted flour; cut out four-inch squares, put a dab of filling near the center then fold into a triangle, seal and bake.

Youthful Wreckers Escape Any Injury

REVERE, Mass. (AP)—Two boys, ages 7 and 12, stepped into a 10-ton tractor at a construction job after the workers had gone home.

Seconds after they pressed down the accelerator a garage, a fence, a second garage and a 1955 automobile were demolished.

The boys, whose names police withheld, were not injured.

"ALERT" TEST

(Continued from Page 1)
tion would need to be given to inform the public when it would be safe to leave cover, Weaver said.

The Pennsylvania test is being held to familiarize the public with the signals prior to a national alert during which various "stimulated disasters" will take place.

Weaver also outlined the Civil Defense Insurance program by which CD workers will be insured during test or actual emergency from the time they leave their homes until they return. For Ground Observer Corps spotters the insurance will be in effect from the time they leave their home for spotter duty until they return.

All CD personnel must sign loyalty oaths and then will be given CD cards and their names placed on the rosters of those covered by the insurance.

The oaths forms are available from various Civil Defense officials, from Weaver, or from William H. Armer, head of the Ground Observer Corps. Weaver asked the CD personnel to "turn in the oaths" as quickly as possible so that he can make up the lists to secure the insurance for all. The lists cannot be made up until all have taken the oaths. The insurance, backed by the federal government, costs the CD workers nothing.

SEWING LESSONS MACHINE HELP BUDGET - MINDED

THE ASSOCIATED PRESS

After the excitement of the wedding and the whirl of the honeymoon, there comes a day when the bride and groom must sit down and figure out their budget.

Since few young couples start housekeeping with unlimited funds these days, it takes a lot of figuring to decide what purchases are necessary and which can wait. Should they buy that wonderful lamp and let the draperies go until next month? Should they get the draperies right away and save for a freezer? How about buying a sewing machine, and if so what kind?

For brides with their heads full of bubbles, here's some good, solid advice from local sewing center experts,

SPORTS

BROOKLYN 5TH, PIRATES THIRD IN NEW NL RACE

By ED WILKS

This, in case you hadn't noticed, is a brand new year in the National League.

A year ago, the NL went into the Memorial Day milepost strung out behind Brooklyn, with the Dodgers enjoying a six-game bulge over the New York Giants and St. Louis and Milwaukee 11 games back. Pittsburgh, going through its regular pantomime, was 18 games to the rear and in the cellar.

That was last year. Right now Milwaukee is winning what has been a two-way scrap for the lead with St. Louis, while the Pirates are just a game back.

Changes In Fifth

And where's Brooklyn? Three games back in fifth.

Milwaukee blasted the Cardinals 10-3 last night, thus removing a screwy predicament that had them a length short in the "games behind" column but still in first. Pittsburgh made it cozy by nudging the Brooks 3-2 — with Bob Friend winning his eighth on a two-hitter and Dale Long hitting his eighth home run in eight games to better his major league record set Saturday.

Bob Rush's three-hitter tripped Cincinnati as the Chicago Cubs won 4-1. Philadelphia kept the road rocky for New York by beating the Giants 5-2.

In the American League, the race has the look of a romp. The New York Yankees grabbed a 4½-game lead, beating Boston 2-0 as Whitey Ford gained his seventh triumph and second shutout while the runner-up Cleveland Indians lost to Detroit 3-2. Kansas City dumped Chicago's White Sox 6-4, on a two-run homer by Enos Slaughter in the ninth, and Baltimore clipped Washington 6-5 in 10 innings.

The only hits off Friend, who has lost two, were a first-inning homer by Duke Snider and a one-out single by Junior Gilliam in the third. Carl Erskine was the loser. Bobby Thomson and Del Crandall homered for the Braves, who had a 6-0 lead in two frames to Conley, in relief of Lou Seater, was the winner.

First For Haddix

Harvey Haddix, with ace Robin Roberts relieving in the eighth, won his first for the Phils. New York got two hits off Rush, who fanned seven and walked one, and scored a run that stood up until the fifth. Then the Cubs racked Joe Nuxhall for four runs — two on a bases-loaded double by Ernie Banks.

Ford, in trouble only twice, scattered five Boston hits while the Yanks made the most of four singles off Frank Sullivan. Two in the first and an infield out by Yogi Berra, back from an eight-game stay on the injury list, scored one run. Two errors by shortstop Bob Buddin helped the other across in the fourth.

Steve Gromek eight-hit the Indians while the Tigers got two runs in the fifth on Bob Kennedy's ground-rule double and a force-out to hand Herb Score his fourth defeat.

The White Sox blew a 2-0 lead as Kansas City scored four in the eighth with homers by Gus Zernial and Jim Finigan. They tied it with two in the top of the ninth. Billy Pierce went in as a reliever in the bottom of the ninth. He walked a man, and then came Slaughter, Reliever Mike Fornieles doubled in the 10th and came home with the clincher for the Orioles on Chuck Diering's single.

SPLIT DECISION FOR KING COTTON

NEW YORK (AP)—Charley (King) Cotton had his second straight victory over Joey Giardello, a reputation, and a few offers against more "name" fighters today.

"The breaks are finally coming my way," said the happy, 26-year-old ex-Marine from Toledo, Ohio. "I don't care how close the officials call 'em as long as they have me ahead. Of course knocking 'em out makes it a whole lot easier."

The officials gave Cotton a split-decision edge over Giardello in their bruising 10-round telecast tussle at St. Nicholas Arena last night. Cotton was an 8-5 underdog despite his close but unanimous triumph over the onetime top-ranking middleweight contender in the same arena three weeks ago.

Victory brought Cotton offers for a July 2 date against either unbeaten Rory Calhoun or Gil Turner for the St. Nick's, a possible engagement for Madison Square Garden and a June 19 bid for Toledo, Ohio.

When Giardello was given the chance to box, he did a neat job of jabbing and hooking with his left hand. But he tired in most rounds after about two minutes and absorbed some crunching rights to the jaw and ear. In the fourth and sixth rounds especially, Charley hurt his experienced opponent with overhand rights to the jaw.

Attendance Up 70 Pct. At Pittsburgh

PITTSBURGH (AP)—The combination of Dale Long and Bob Friend has the Pittsburgh Pirates' turnstiles clicking about 70 per cent more often this year than in 1955. And it could give the club its best season at the gate since 1950—the last time the Pirates drew a million customers.

The 32,221 fans who last night saw Long smack his eighth home run in eight games and Friend notch his eighth triumph with a two-hitter over Brooklyn, swelled Pittsburgh's home attendance to 226,109 for 14 playing dates. This represents an increase of 93,793 customers over a similar period in 1955.

The Pirates have averaged more than 16,000 a game as compared to last year's season average of 7,955.

CHILD SWALLOWED

ABERDEEN, S. D. (AP)—Steven Ellsworth, 3, got into the medicine chest and swallowed 80 aspirin tablets.

His mother, Mrs. R. F. Ellsworth, called a doctor's office. He was out. She was unable to reach her husband at work. She tried two cab companies. No luck.

So she called a funeral home and its ambulance sped mother and boy to the hospital where the pills were removed in time.

TRAFFIC TROUBLE

ROCKFORD, Ill. (AP)—While Richard E. Arms, city-county planner, was attending a meeting on how to move traffic by state toll roads, his car was tagged for obstructing traffic.

Police Officer James F. Vesely called a wrecker to tow away Arms' car, and Arms paid Traffic Sgt. Charles E. Berve a \$5 fine.

COURTROOM DIGNITY

COLORADO SPRINGS, Colo. (AP)—Dist. Judge G. Russell Miller refused to hear a woman's request for a divorce until she changed from red slacks into a dress. Court was recessed for 20 minutes while the woman made a quick trip home.

HAT TRICK

TULSA, Okla. (AP)—While hurrying along on an icy downtown street, a plump Tulsa woman slipped and fell, banging into several other pedestrians while out of control. She glared up at one of the men.

"I guess you thing it's funny," she said.

"No, Ma'am," he answered. "I think it's kind of pitiful. You're sitting on my best hat."

Thursday's Game

Elks vs. Sporting Goods, 8 p.m.

A homerun by "Bruzz" Schmitt in the last of the final inning gave the Elks a 7-6 victory over the Moose as the Softball League season got underway Monday evening at the Recreation Field. The 10:30 curfew halted the second game between the Hess Antiques and Eagles who were tied at 17-17.

The Elks got off to a fast start in their game with three runs in the first inning on singles by Johnson and Staub and a long double by Saunders. They added two in the second on walks to Nunemaker, Johnson and Knox and a double by Bud Cole.

Moose Rally

The Moose rallied for three runs in the fourth on a single by Baltzley, Brennan's double, a triple by Cleveland and an error. After the Elks added a run in the third the Moose scored twice in the sixth on a single by Brennan double by Cleveland and Colley. A walk to Baltzley, passed ball and double by Brennan enabled the Moose to knot the count in the top of the seventh.

Free-hitting and loose play marked the second game which resulted in the first tie game ever staged on opening night.

McKee of Hess Antiques rammed out a two-run homer in the fourth while Eckert hit for the circuit to lead off the sixth for the same outly. Bases on balls proved costly to both teams.

Predicting New Speed Record At Indianapolis

By DALE BURGESS

INDIANAPOLIS (AP)—Four former winners of the Memorial Day 500-mile auto race predicted today that Wednesday's 40th running of the event will produce a record several miles an hour over the late Bill Vukovich's 1954 mark of 130.84.

The prediction looked sound, in view of the fact that 15 drivers in the 33-car field qualified their cars at speeds above the previous Indianapolis Speedway record for the 10-mile trials.

Bob Sweikert of Indianapolis, last year's winner after Vukovich was killed in a four-car crash while leading the race, said it might take 136 m.p.h. to win.

Bill Holland of Indianapolis, the 1949 winner, also figured it would take a 135 or 136 m.p.h. pace.

Johnnie Parsons of Van Nuys, Calif., 1950 winner, said he was counting on a 135-plus pace and Cleveland, 1952 winner, said it would take over 134½ to win.

These experts represent all the winners since 1949 except Vukovich, the 1953 and 1954 champion. Ruttman, Parsons and Sweikert are in Wednesday's field and all are rated as strong contenders.

Ruttman has the Kurtis-Kraft in which Sweikert won last year. The former winners had to yield qualifying honors to three veteran drivers who pushed the 10-mile speed above 145 m.p.h. for the first time. Pat Flaherty of Chicago set the record at 145.596.

Johnny Thompson of Springfield, Mass., did 145.549 and Jim Rathmann of Miami, 145.120.

A flash flood from three days of rain sent rivulets trickling across the track Monday from a normally small creek that runs under the south end of the track. The water receded rapidly late in the day.

Officials decided the wet spots made the track too hazardous for any further qualifying attempts and 12 drivers were left at the line.

CLAIMS MAJORS HOLD MONOPOLY

BUFFALO, N. Y. (AP)—The general manager of the unaffiliated Buffalo Bisons of the International Baseball League says the major leagues have a "player monopoly" and he threatens to go as far as Congress, if he needs to, to fix it.

John C. Stigmeier, said last night he was trying to arrange a meeting with Ford Frick, commissioner of baseball.

"If I do not get a reasonable answer from him, I will ask for a congressional investigation on grounds of major league player monopoly," Stigmeier said.

The Bisons manager said he had written 16 major league teams on two occasions in recent months, but that although all had promised him help in obtaining players, none had come through.

"We are not looking for charity," Stigmeier said. "We are willing to put money on the line for players we need, but we can hardly expect to improve our team if the major leagues turn a deaf ear to our requests."

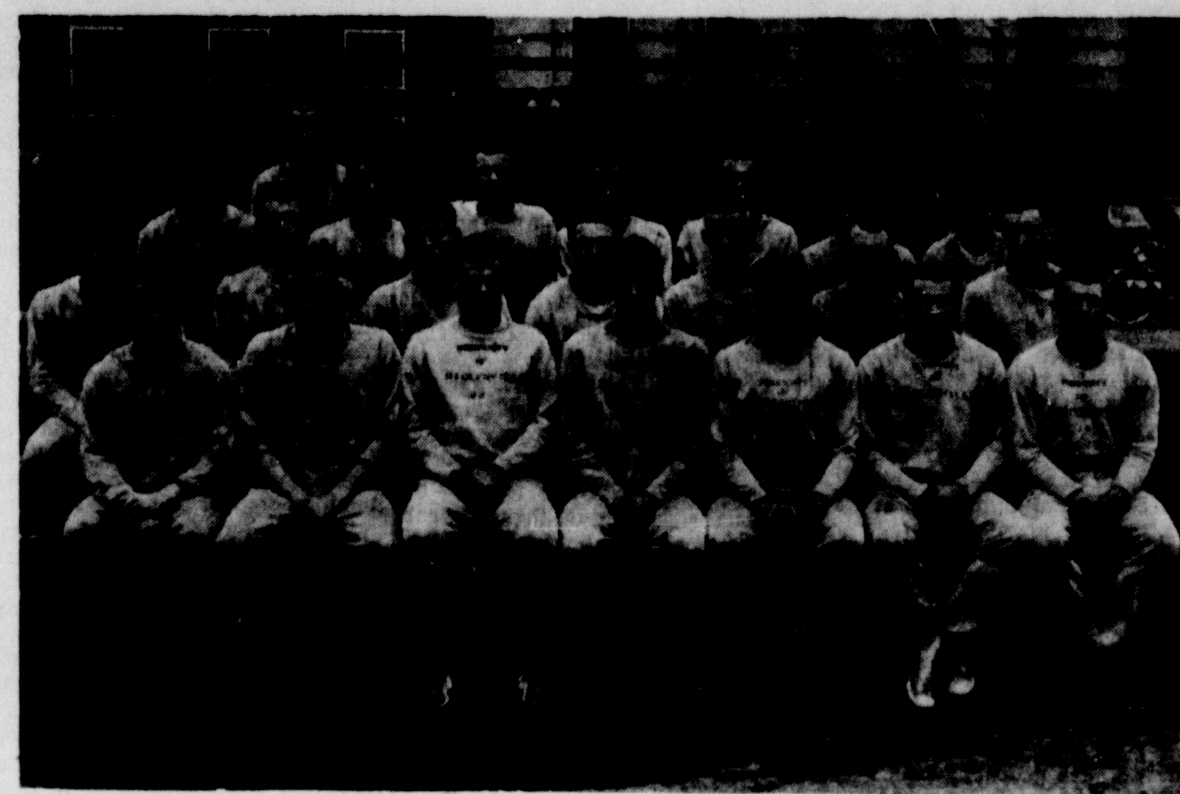

DROPO .325 AT NIGHT

CHICAGO (AP)—The Chicago White Sox could play all their games at night as far as big first baseman Walt Dropo is concerned.

Dropo batted .325 in 40 night games in 1955. The White Sox led the American League in arc light games, winning 31 and losing 14 for a .689 percentage.

COUNTY LOOPS CONFRONTED BY BIG SCHEDULE

A total of 14 games face the teams of the South Penn and Penn-Mar Baseball Leagues within the next 24 hours.

This evening at 6:15 there will be six games to make up opponents from rain-outs on Monday and on Memorial Day both leagues are confronted with regularly scheduled contests.

Tonight in the South Penn circuit Bonneauville will be at Greenmount, and Harney at Brushstown. Hunterstown and Littlestown will play their postponed game Friday evening, June 8, at 8 o'clock under the lights at Littlestown.

Pen-Mar games this evening include Fairfield at New Oxford, Cashtown at Emmitsburg, Union Bridge at Taneytown, and Blue Ridge Summit at New Windsor.

Holiday games on Wednesday include: South Penn—Bendersville at Haney, Bonneauville at Hunterstown, Mummaburg at Brushstown, and Littlestown at Greenmount; Pen-Mar—Cashtown at Blue Ridge Summit, New Oxford at Taneytown, Emmitsburg at New Windsor, and Union Bridge at Fairfield.

PITTSBURGH (AP)—"I got chills all over. It was bigger than the one in Philadelphia. I am glad it happened in Pittsburgh for the people who deserve it."

Dale Long, who threatens to out-Mantle Mickey Mantle, stood in the Pittsburgh clubhouse after last night's 3-2 victory over Brooklyn. He was doing his best to tell how it felt to hit his eighth home run in eight games, breaking the major league record he set Saturday in Philadelphia.

"Have you got any left?" somebody asked.

"Who cares as long as we keep on winning," he replied.

Did you ever see a bunch of kids like this? They just keep bouncing back when they're supposed to be knocked out.

Stop The Game

"At first I didn't think it was going in (the ball just did make the right field stands, about 375 feet from the plate.) I just put my head down and ran. When I passed Bobby Bragan (Pirate manager) at third, I just shook my head because it was hard to believe.

But the big thing was what happened next."

MAY RESTORE BILLION SLASH TO AID PROGRAM

WASHINGTON (AP)—Sen. H. Alexander Smith (R-N.J.) says he hopes the Senate "will be able to restore" much of the billion dollars a House committee cut from President Eisenhower's foreign aid program.

But three Democratic senators contended, also in weekend interviews, that Eisenhower should line up more support from Republican Senate leaders if he wants favorable action.

The Democrats are Senators Sparkman (Ala.), Humphrey (Minn.) and Mansfield (Mont.). Like Smith they are members of the Senate Foreign Relations Committee, which now is holding hearings on Eisenhower's \$4,900,000,000 request.

Chairman Richards (D-SC) of the House Foreign Affairs Committee defended the House cut Sunday in a CBS-TV interview. He said it amounted to "cutting out the surplus and wild guesses and still leaving enough for an effective program."

Reassign Shipments
The committee said in a formal report Saturday that much of the arms shipments now allotted to Europe should be sent elsewhere until it is "clearer" what defense policy Europe intends to follow. Without naming any countries, it criticized what it called a "leakdown in self-help by some of the 'prosperous' Western European nations."

During the TV interview, Richards referred to what he called "apathy" on the part of Britain, France and West Germany.

The House committee cut a billion dollars from the three billion Eisenhower had asked for military aid, and 109 millions from the \$1,900,000,000 he asked for economic and other programs.

Sen. Humphrey said, "The passage of this program is going to require more leadership than just sending a bill down here and having witnesses testify."

Oppose Full Amount
Sen. Knowland (R-Calif.), Senate Republican leader, and Chairman Bridges (R-NH) of the Senate GOP Policy Committee have said the Senate will not vote the full amount Eisenhower has asked.

Mansfield said the program "would have a better chance" if Knowland and Bridges got behind it.

Sparkman, calling on Eisenhower to act, said, "We Democrats ought not to be required to carry all the load for him. That job belongs to him and his leaders."

U. N. COUNCIL TO OPEN DEBATE ON MIDDLE EAST

UNITED NATIONS, N.Y. (AP)—An Arab chill settled today around Britain's proposal that Secretary General Dag Hammarskjöld continue to work for peace between Israel and its Arab neighbors.

The 11-nation Security Council opens debate on the British resolution today in its first meeting since it sent the secretary general on his Middle East peace mission two months ago.

The council first will hear Hammarskjöld's report on how he obtained new cease-fire agreements from Israel and her four Arab neighbors: Egypt, Syria, Jordan and Lebanon.

These quieted down Israeli border warfare, which had built up in violence throughout the late winter.

NEW FARM LAW BEING PUT INTO EFFECT AT ONCE

By OVID A. MARTIN
WASHINGTON (AP)—The administration moved today to put the new farm law into effect, but it may be days before farmers will know what benefits they can expect from it this year.

President Eisenhower signed the measure late yesterday, saying that it had shortcomings but that its advantages outweighed its "harmful provisions."

Thus ended more than a year of maneuvering between his administration and the Democratic leadership of Congress, with some Republican backing, over new farm legislation.

Soil Bank Plan
The law carries provisions for a \$1,200,000,000-a-year soil bank program, but just how much of

calls for Hammarskjöld to "continue his good offices with the parties, and to report to the Security Council as appropriate."

Well-informed sources said the Arab delegates had agreed to hear out Sir Pierson Dixon's outline of the British plan before taking a public position. Israeli delegates would not comment on the British plan.

Informal remarks of the Arab delegates showed which way the winds were blowing.

Ahmed Shukairy, who speaks for Syria, called the British resolution "totally unacceptable."

As with the original plan to send Hammarskjöld to the Middle East, the Arabs appeared to be motivated mainly by fear that he might try to pressure them into negotiations for a permanent Palestine settlement. The Arabs still are willing to go along only with efforts to keep the military situation quiet.

the money may be made available this crop year is a matter which will be determined by decisions to be made by Secretary of Agriculture Benson.

Benson, who said he was glad Eisenhower approved the measure, said his department is "proceeding with judicious haste" to put the soil bank plan into effect this year. Under this program, farmers will be offered payments for taking land out of production of surplus crops.

The new law is the second farm measure passed by Congress this year. The first one was vetoed by Eisenhower April 16 because it carried provisions which would have raised price supports of some crops and products above levels favored by the administration.

Not Fair Test In '56
Benson said in a statement last night that this year will not provide "a fair test" of the soil bank because practically all crops have been planted. Eisenhower expressed regret that the soil bank had not been enacted earlier.

Nevertheless, soil bank money could be made available to a relatively large acreage if Benson offered liberal conditions. If he should extend participation this year to land intended for cotton, wheat, peanuts, rice, tobacco and corn but not yet planted, the participation would be limited and the total payments small.

But should he permit farmers to plow up a part of the land planted to these crops—as he has authority to do—the participation could

be relatively large and the payments substantial.

It is known that Benson is reluctant to offer payments for plowing up crops lest such action draw consumer complaints and lest it do little toward cutting production of surplus crops, which is the prime goal of the program.

Based upon inquiries reaching the department, officials believe that most farmers would be willing to plow up only land which already is destined to crop failure because of adverse weather. Hence, they say, offer of payments on such land would gain little toward a net cut in production.

Certain This Year
The only other portions of the new law certain to affect farmers directly this crop year are provisions raising price supports for feed grains—oats, rye, barley and grain sorghum—from the previously announced 70 per cent of parity to 76 per cent and corn outside a designated commercial area from 75 to 82 per cent of parity. Parity is a calculated price said to be fair to farmers in relation to their costs.

A third provision which could be of benefit this year is one adding 500 million dollars to an existing fund of about 400 million dollars for support of prices of perishable products, such as hogs, cattle, poultry, eggs, fruits and vegetables. This money may be used to buy and remove surplus supplies from markets where prices sag.

EVANGELISM AT GRASS ROOTS IS RECOMMENDED

By TOM BRADSHAW
PHILADELPHIA (AP)—The 168th General Assembly of the Presbyterian Church in the U.S.A. today was urged to carry on a wider program of evangelism at the grass roots level.

The church's National Commission on Evangelism, reporting on the sixth day of the assembly's seven-day meeting, said, "There has been a distinct change in the religious climate in the last 10 years."

"Church membership and church attendance have increased," the commission said. "There is a willingness to listen. It is not necessarily to respond, to the message of the Christian church."

Still Much Apathy
Along with this "heightened religious interest," continued the commission, there has come a return to evangelism.

"Evangelism is being restored to the heart of the church and, while in some quarters grave doubts are held as to its legitimacy and effectiveness, the tempo of our times and the dilemma of the church are forcing a reconsideration of the nature of evangelism and its place in the life of

the church. There is still much apathy but the old hostility has almost disappeared."

Approve Merger
The assembly passed two major milestones yesterday—approval of a merger with the United Presbyterian Church and the admitting of women to the ministry.

The merger plan was adopted by unanimous voice vote after some opposition over the name choice.

The special negotiating committee had selected the United Presbyterian Church of the U.S.A. The Rev. Howard W. Edgar, Punxsutawney, Pa., proposed a substitute motion that would have sent the merger plan back to committee to find a new name.

The substitute motion was rejected, also by voice vote—but not a unanimous one. Debate on the issue then was ended and the 1,000 delegates gave the merger their undivided approval.

Southern Church Out
The United Presbyterian Church's General Assembly will vote on the union next month with the presbyteries of both churches also required to pass on it.

The merged group would have approximately three million members, all but 275,000 from the Presbyterian Church in the U.S.A.

Not involved is the Presbyterian Church in the U.S., a Southern branch, which rejected a three-way merger last year.

There was no floor vote on the question of admitting women to the Presbyterian Ministry. The Standing Committee on Bills and

SEEKS ACTION ON NEW SPAN

EASTON, Pa. (AP)—State Sen. Joseph Yosko (D-Northampton) is asking the governors of New Jersey and Pennsylvania to try to end a stalemate over the rebuilding of the Easton-Phillipsburg bridge, badly damaged by the flood of last August.

The Delaware River Joint Toll Bridge Commission deadlocked at 5-5 last week on a vote to repair the free bridge, which had been the most heavily traveled one over the Delaware north of Trenton. Pennsylvania's five members voted to reconstruct the bridge; the five from New Jersey voted against it because they want an entirely new bridge.

Yosko said last night he would ask Govs. Robert B. Meyner and George M. Leader to meet with the commission and seek agreement.

For the time being much of the heavy traffic across the river is being handled on temporary Bailey bridges.

Overtures (petitions) merely announced that a sufficient number of presbyteries had approved a change in the church's bylaws. The vote by presbyteries was 206 to 35, with approval by 129 required.

Arendtsville's Two Girl Scout Troops Were Organized In 1947

The two Girl Scout troops in Arendtsville are almost the same age, both being organized in 1947. Troop No. 2 in April and Troop No. 1 in July. Both troops share the use of the Arendtsville Scout House with the Boy Scouts.

The Scout House is an old stone building dating back before 1870 according to Amos Sheely, 87-year-old Arendtsville resident. Jack Miller is allegedly the first owner of the building, using the first floor as a wagon shop while Henry Little had a chair factory on the second floor.

In 1910 Harry (Jim) C. Raffensberger purchased the building and used it as a creamery. It was later used as an apple butter press and cider mill. Four years ago the Girl and Boy Scouts purchased the building and remodeled it. Some time in its history the rear end of the building burned and was never rebuilt. It is located a block from the Arendtsville Square on Pearl St.

Committee Members

Troop No. 1, Intermediate Scouts, meets Tuesday evenings at 7 o'clock in the Scout House. Mrs. Elliott E. Schlosser is the leader, assisted by Mrs. John Kunkle, Mrs. Lee W. Reinecker and Miss Shirley Flickinger, who was registered in 1947 as a Girl Scout.

Committee members are Mrs. John Frederick, neighborhood chairman, who has been associated with Scouting since July 1946; Mrs. Nevin R. Frantz, who first registered with the council in April 1947 and has been associated with Brownie Troop No. 2; Mrs. William Coradetti and Mrs. Fred Baltzley, who registered with Troop No. 1 in July 1947 and served for six years as a leader.

Members of the troop are Linda Bosserman, Bonnie Bream, Anna Bushey, Lois Currans, Judy Cutshall, Anna Davis, Anita Deardorff, Carol Diehl, Carol L. Frantz, Susan Frederick, Connie A. Grubbs, M. Troop Number Two

Troop No. 2 Brownie Scouts, meets Tuesday afternoons at 3:45 o'clock in the Scout House. Mrs. Raymond Hale Jr., troop leader, first registered with the council in July 1946 and since then has served one year as a committee member with Brownie Troop No. 2 and six years with Intermediate Troop No. 1. She has been two years in her present position.

Assistant leaders of the troop are Mrs. Charles Bushey and Mrs. Robert C. Eicholtz. Committee members are Mrs. Joseph Sabo, Mrs. David C. Houck, who first registered in April 1947 and served two years

as a leader, and Mrs. Charles McDannell.

Members of the troop are Diane E. Baltzley, Patricia L. Coradetti, Jean M. Cutshall, Joan A. Cutshall, Emily G. Diehl, Ann E. Ernst, Connie Grubbs, Carolyn L. Haas, Carol M. Houck, Carol L. Fire Breaks Out In Grease Plant

PHILADELPHIA (AP)—Flames flashed through a grease plant of the Atlantic Refinery Company's big south Philadelphia plant late yesterday, choking the area with smoke and disrupting traffic for hours.

No one was reported injured, however. A spokesman for the company said it would be difficult to estimate damage until later today.

Four alarms sent 16 engine companies, four ladder crews, six battalion chiefs and a rescue squad to the scene. Firemen held the flames to the three-story grease plant. Traffic difficulties were aggravated by the congestion of the homeward rush of the end of the working day.

Mild Weather Is Forecast Wednesday

By THE ASSOCIATED PRESS

Pennsylvanians made preparations today for their first summertime holiday—Memorial Day with its mixture of revelry and prayer, automobile racing and baseball doubleheaders, lawn parties and picnics.

For tomorrow's foretaste of the long vacation season, the weatherman holds out hope of mild temperatures, at least a moderate amount of sunshine, but in keeping with the whole mood of this sultry, reluctant spring, there's a catch in it. What else but possible showers?

The most moving aspects of Memorial Day ever remain—the rows of tiny cemetery flags, three generations of veterans marching side by side in local parades and the touching services to war dead at churches and community centers.

RUSSELL TONGAY IS RULED INSANE

RAIFORD, Fla. (AP)—Russell Tongay has been ruled insane and will be transferred from state prison to the Florida State Hospital.

The former Miami swimming instructor, serving 10 years for the death of his 5-year-old Aquatots daughter Kathy, is a manic-depressive with suicidal tendencies, according to the order committing him to the hospital.

County Judge S. B. Brooks signed the order Wednesday after a sanity hearing suggested by Gov. Leroy Collins. The news did not become known until yesterday.

Tongay, a former Coast Guardsman, was convicted on a charge that he forced Kathy to make a 33-foot dive that fatally injured her. Kathy and her brother Bubba performed at swimming exhibitions over the country under the billing "Aquatots."

Asking Bids For Pine Grove Park

The Pennsylvania Department of Forests and Waters today announced that bids for operation of the refreshment and general store concession at Pine Grove Furnace State Park are now being accepted.

Bids will be accepted until 11 A.M. (E.S.T.), June 5, for the season which extends from June 15 to November 1.

The concession lease will be awarded to the highest responsible bid. Maurice K. Goddard, secretary of the Department of Forests and Waters, emphasized that all bidders must be residents of the Commonwealth of Pennsylvania, and not an employee of the Commonwealth.

Required proposal forms and agreements may be obtained from the district forester, Richard Dolton, at Fayetteville, R. 1, Pennsylvania. Application for forms may also be made to the Division of Recreation, Room 408 Education Building, Harrisburg, Pa.

Intermediate Girl Scout Troop No. 1, of Arendtsville, includes left to right, first row: Eurania L. Shelleman, M. Ann Hale; second row: Sheila F. Slaybaugh, Connie A. Grubbs, Diane G. Travis, Judy M. Kunkel; third row: Mrs. Elliott E. Schlosser, troop leader, Gertrude J. Hoffman, Janet L. Slaybaugh, Carolyn L. Sabo and Mrs. Lee W. Reinecker, assistant troop leader. Members of the troop not pictured are Linda Bosserman, Bonnie Bream, Anna Bushey, Lois Currans, Judy Cutshall, Anna Davis, Anita Deardorff, Carol Diehl, Carol L. Frantz, Susan Frederick, Carol Kane, Joyce Orner, Linda Price and Carol Swayze.

U. S. ON EVE OF VAST HIGHWAY BUILDING ERA

By JAMES MARLOW

Associated Press News Analyst

WASHINGTON (AP)—The nation is on the eve of a huge new super-highway program costing about 27½ billion dollars over the next 13 years, with the federal government putting up 25 billions and the states the rest.

It will mean a system of 40,000 miles spanning the country, linking the main cities, with six, four and two lanes, overpasses, underpasses, and a minimum of stoplights.

What will it be like? Rep. Russell V. Mack (R-Wash.) recently painted a picture of it:

"... Thirteen years from now the American motorist can travel ... northern Maine to the Mexican border south of San Diego, Calif., a distance of 4,500 miles, over four-lane divided highways on which traffic will not be interrupted by a single stoplight."

Defense Measure

Why such a superhighway net-

work? For one thing: defense, or speed in case of war. For another: to meet traffic needs. Ten years ago there were 34 million registered vehicles on the highways. Today there are 62 millions. In 10 years there will be about 85 million.

But the 27½ billion dollars for the superhighways is not all the money the government and states will spend on highways. They will probably spend an additional 23 billions over the next 13 years on primary, secondary and urban roads. The federal government's share should be about 36½ billion dollars.

The federal government and the states for years have been chipping in on the cost of primary (main, most traveled highways), secondary (less-traveled) and urban (highways going into cities) roads.

Not All New Records

In this country there are now about 240,000 miles of primary, 500,000 miles of secondary, and perhaps 15,000 miles of urban roads. Where does the new super-system fit into this picture?

Of the 240,000 miles of primary roads, 40,000 will be designated as part of the interstate system. Does that mean no new roads will be built, that the 40,000 miles of primary roads will simply be im-

proved? No. Some of those 40,000 miles will be widened, straightened out, overpassed or underpassed, or otherwise improved. But about 32,000 miles of new roads—which will become the primary roads—will be built.

For example: a present primary road—or parts of it—may have to be diverted to make it shorter or more direct.

One official of the Bureau of Roads figured the program will mean employment for maybe 400,000 men a year working directly on construction and perhaps for 600,000 a year in business connected with roadbuilding.

This isn't all free. Taxes are going up on motorists and truckers. For example:

A boost of 1 cent a gallon to 3 cents on the gasoline tax, special motor fuel and diesel fuel; an increase on the tire tax from the present 5 cents to 8 cents a pound; a new tax of 3 cents a pound on camelback used for re-treading; a rise of two percentage points—to 10 per cent—in the manufacturer's tax on trucks, buses, and trailers; and a higher tax on trucks weighing over 26,000 pounds.

The University of North Dakota hockey team, which includes eight players from Manitoba, Canada, will play 28 games this season

TIME SOFTENS ANGER AGAINST THOMAS WOLFE

By HAL BOYLE
ASHEVILLE, N. C. (AP) — Once upon a time there was a boy born here 100 years old at his birth—or so he always felt.

He was the youngest of eight children, the "baby" in the family. He was a strange child, thin and pale-faced, and given to long brooding silences. He wore dresses until he was at least three. His mother didn't let him cut his shoulder length curls until he was nearly nine.

His father, who carved and sold tombstones, could quote Shakespeare and the Bible endlessly. These things may have helped give the boy his early preoccupation with death and time and literature.

A Raw-boned Giant
The boy, Tom Wolfe, grew into a raw-boned giant 6 feet 5½. His mind matched his stature. In a lonely room in London he wrote a classic first novel, "Look Homeward, Angel," which told of his lost youth—and every man's heart hunger for a previous time gone by.

He was just 29, and the world acclaimed him as a new literary titan. But many folks here thought Tom had been too brutally frank in portraying both his family and his townpeople.

For years Tom felt himself an outcast, more lost and lonely than ever. But before his death in 1938 time softened the anger of citizens here, and today he is recognized as Asheville's most famous son.

The town has made a museum of the old rambling 22-room white clapboard house in which he dreamed as a boy, the "Old Kentucky Home" in which his mother, Julia, sometimes cooked for as many as 35 to 40 summer boarders.

Thousands Visit Yearly
Thousands of visitors make a pilgrimage here each year. They are people who loved Tom

Boat Jumps Onto Road; Hit By Auto

GUNTERVILLE, La. (AP) — An automobile and a cabin cruiser collided near here yesterday when the boat's controls jammed and it jumped out of Gunterville Lake.

Puzzled highway patrol officers couldn't decide at first whether they had jurisdiction but they made a report on the case.

Officers Crawford Barnett and Bill Stone said controls of a boat occupied by Bud Lattimer and struck a highway causeway and bounced partly into the road.

Along came a car occupied by Mr. and Mrs. Jesse Lee Isdell. The car struck the boat and Mrs. Isdell suffered a possible skull fracture and cuts on the face and head.

through his books, which still sell widely. They range from garage mechanics to college presidents, but many are young students.

"The younger generation thinks he's wonderful," said Wolfe's sister, Mrs. Mabel Wheaton, who showed me through the old home. Mrs. Wheaton, who is 10 years older than Tom and was the closest member of the family to him in life, resembles him physically. She is tall and shares his tremendous energy, his gusto for living. She was a singer in her youth.

Liked Tuneful Things
"Tom always said he was 100 years old when he was born," she said, "and I think he really was." She guided me into the parlor past two fading hallway mottoes that said, "Do Right and Fear not" and "Peace be unto this House."

She sat down at an ancient upright piano and played a few bars from Stephen Foster's "Beautiful Dreamer."

"The whole family used to like to sing that," she remarked. "Tom liked all tuneful things."

Signs Of Usage
The old-fashioned furniture was marked with the signs of much usage. Everything in the house bore the signature of vigorous past life.

Upstairs Mabel showed me the bed on which her father had died

lingeringly of cancer, another bed in which all eight Wolfe children had been born.

Then she led me to the room in which had been put Tom's furniture from his New York apartment and his two typewriters. His worn leather briefcase leaned against a table leg on the floor, as if he had left it there only a moment before and would soon be back. The furniture was old and worn.

"Tom really never had anything fine in his life," said his sister, and I felt sad.

In Riverside Cemetery
Back downstairs, we went into the kitchen. A strange memorial

to Mrs. Wolfe stood on one shelf—more than 20 jars of preserves she had put up before death stilled her busy hands 11 years ago.

"I just couldn't eat them," said Mabel. "They're just as she left them."

After leaving Mrs. Wheaton, I went out to Riverside Cemetery where Tom, who always felt lost, now can be found by any stranger. He is buried in a robin-loud woodland setting near his father and mother.

Shower activity early today extended from the Great Basin northward into the northern Rockies and over most of the Plains states. Heavy showers pelted some area of Wisconsin and Minnesota with a half inch of rain.

Cooler air moved southward from Canada to drop temperatures 5 to 15 degrees along the Mid and North Atlantic states and inland to the lower Great Lakes.

ONE MUSTACHE
CROSSVILLE, Tenn. (AP) — Grocer John Dooley, like most of Crossville's male population, is growing whiskers for the town's centennial celebration. He ordered a mustache cup from Knoxville, but there was only one to be found in the entire city.

On learning this, Dooley wired: "Please do not ship mustache cup. Too risky. Will call in person." He did, too, making the 150 mile round trip so he can strain his coffee.

SWIFT SENATE OK FOR SEATON IS EXPECTED

By EDWIN B. HAAKINSON

WASHINGTON (AP)—Swift Senate confirmation appeared assured today for Fred A. Seaton to be secretary of the interior in President Eisenhower's Cabinet.

Seaton, a 46-year-old Nebraska newspaper and radio executive, has been on the White House staff as deputy assistant to Eisenhower in charge of administrative affairs.

His selection for the Cabinet post, announced by the White House late yesterday, occasioned some surprise. Fourteen Western Republican senators had publicly backed Undersecretary of the Interior Clarence A. Davis to succeed Douglas McKay. McKay resigned April 15 to run for the Senate against Sen. Morse (D-Ore).

Surprise For Seaton
Morse's colleague Sen. Neuberger (D-Ore) contended that Eisenhower had "repudiated the policies of ex-Secretary McKay" by going outside "the discredited Interior Department to obtain a new head."

Seaton, who described his appointment as a surprise, said he favors what Eisenhower terms a partnership policy under which local, private and public interests join with the federal government in hydroelectric power projects.

Asked specifically if he intends to carry on McKay's policies in the Interior Department, Seaton replied:

Served In Senate
"I can't speak specifically to that. But, so far as the Eisenhower power policy and water policy are concerned, I plan to carry them on. That includes partnership—I think it makes sense and progress."

Many Democrats have criticized administration power policies as being unduly favorable to private utilities.

Chairman Murray (D-Mont) of the Interior Committee, which will pass upon the appointment, lauded Seaton as "a fine, fair gentleman" and said he sees no present need to hold hearings on the nomination.

Seaton served in the Senate by appointment for about a year in 1951-52. He did not seek election.

ANTI-REDS ARE IN RURAL AREAS LEADING FOES

By STAN SWINTON

ROME (AP)—Italy's moderate center parties held a strong lead today in returns from the nationwide provincial elections but a leftist surge in late reports from northern industrial centers cut into the centrist total in municipal races.

Almost half the vote cast Sunday and Monday for provincial council members had been tabulated and 27.77 per cent of the ballots for city and town councils.

Stalin prize-winner Pietro Nenni's Communist-allied Socialists polled heavily in Milan, Genoa and other large cities. The Leftists' total vote in the municipalities so far was slightly above their showings both in the 1953 national election and the 1951-52 local voting.

Coalition Ahead

In the provincial races the centrist coalition dominated by Premier Antonio Segni's Christian Democrats held a lead of more than a million votes over the extreme Left and Right combined.

In the municipal voting, the center's total was 300,000 ahead of the Communist-Socialist combine but was running behind the anti-Reds' percentage of both the 1953 and 1951-52 total votes.

Both East and West were watching the returns closely, since this is Western Europe's first major election since the Kremlin launched its anti-Stalin policy and stepped up its drive for peaceful coexistence.

The polling filled 6,587 community and provincial councils and local posts in 563 other communities. In the last local elections the center parties won control of 3,878 councils.

Rome's 80-member council wound up in a three-way split. The Christian Democrats and their allies won 35 seats, the Com-

Nuclear Materials Laboratory Planned

WOOD-RIDGE, N.J., May 29 (AP)

—A new nuclear materials laboratory will be set up at the Curtiss-Wright Corporation's research and development center at Quakana, in north central Pennsylvania.

The announcement was made yesterday by Roy T. Hurley, Curtiss-Wright's chairman and president, who said the laboratory will consist of a reactor and radioactive hot cells and "will be used both for the support of defense production and for peacetime applications of atomic energy."

The laboratory will be equipped with facilities such as shops for the design, construction and testing of nuclear instrumentation.

Curtiss-Wright shares in the U. S. Air Force nuclear propulsion program for aircraft.

Quakana covers 80 square miles in Clearfield County.

munists and Socialists 29, and the Monarchist-Fascist Right 18.

The center alliance beat back a strong Leftist challenge to retain control of historic Florence. But the Leftists gained heavily in Bologna to hold on to that big industrial center.

Elsewhere, the Socialists and Communists appeared also to have won the ancient walled town of Siena from the center bloc, and they kept control of Savona, Reggio Emilia, Modena, Ferrara, Alessandria and the big seaport of La Spezia.

The Christian Democrats and their allies won the wine city of Marsala and industrial Rivoli from the Leftists and held on to Palermo, Catania, Trent and Ancona. They were leading in Milan and appeared to have retained Florence by a narrow margin.

Tuck silvers of garlic among the leaves at the heart of an artichoke, then cook in salted boiling water as usual.

ALL-IN-ONE
Amazing New Capsule
Discovery for SAFE
EASY REDUCING

Helps You Take Off Pounds and Pounds of Excess Weight While You Eat All the Foods You Choose

FRIENDS, let me ask you a simple question:

Are you too fat because you eat too much? Like to lose fat but can't control your appetite? Are you a glutton when it comes to candy, cake, butter, gravy, potatoes? Have you spent dollar after dollar for reducing pills, yet despite everything you've tried you're still too fat?

A Capsule That Equals a Meal of Vitamins and Minerals!

A well-known scientist has perfected a new tiny capsule that combines ALL THE RECOGNIZED proven aids to reducing he found in all the advertised products offered today. It contains the concentrated proteins you've read and heard about. It combines the vitamins and minerals often lost when cutting off fattening foods containing these needed vitamins and minerals. It combines the vegetable cellulose that has no calories yet expands when it absorbs water, thereby helping to give the feeling of a full stomach. Yet these capsules contain ALL the drugless reducing aids needed to make you eat less without conscious effort. They are so packed with vitamins and minerals, protein and non-caloric filling food, they equal and exceed many a meal.

Counteracts Hunger
All-In-One Reducing Capsules are as satisfying, as rich in vitamins, minerals and fat consuming pro-
